

Kingston Hospital  
Sustaining our future

Sustainability Week 21 - 24 March

# Kingston Hospital Sustainability Week

To support the NHS Sustainability Day on 24th March the Trust has planned a week of activities to engage staff on sustainability and share good practice.

## Complete our Sustainability Quiz

Complete the Sustainability Quiz for a chance to win a bike donated by Veolia! The Quiz will be emailed and hard copies will be available throughout the week.

## Sustainability Initiative Competition

Send your ideas on how Kingston can better our environment and reduce our impact for a chance to win a hamper!

## Find out how we manage our waste

We produce around 1,000 tonnes of waste every year which weighs more than 200 elephants. Our suppliers will be available for facts on waste and recycling.

Date/Time	Event	Location
All week	Pledge Tree and competitions	KSC Main Foyer
Wednesday 23rd March 12:30pm	Tours of our Energy Centre	Please email our energy team on the email below to arrange a tour. Tours depart from outside the main boiler house
