## Your feedback

“ Before Christmas my uncle was cared for on Hamble ward. Without exception the staff were excellent from Nurse to Consultant. They showed a level of personal care both to me and my uncle I was not expecting and I felt really valued. ”

## How we're doing

The Trust achieved all cancer targets in January and against the 62 day target was the best performing trust in London, achieving 94.79% - 13.3% above the national average.
