

Library Guide

Audiology

A guide to specialist library resources for Audiology at Stenhouse Library.

Books

The Library holds a range of audiology books. To find the book you are looking for, check the Library's catalogue (<https://sten.koha-ptfs.co.uk>).

All audiology books are classified under the heading **WV 270**, with additional books available throughout the WV section (covering ENT). If the Library does not stock the book you require, please let us know as we may be able to obtain it for you from another library.

The collection is regularly updated, so if you have any suggestions of titles to be added to the collection please email the library.

Audiology Journals

The Library provides access to over 3000 print and e-journals, DynaMed and BMJ Case Report. Some of the titles relevant to audiology include:

- Audiology Today
- Ear and Hearing
- Hearing Health

To view a full list of the journals that are available to library users visit MyJournals (<https://journals.nice.org.uk/>) and log in using your OpenAthens account.

If the Library does not have access to the article or journal you require please let us know as we are able to request copies of articles for you from another library.

E-Books

The Library has a variety of e-books that are available for use at any time, and can be accessed via OpenAthens at <https://www.kingstonhospital.nhs.uk/healthcare-professionals/stenhouse-library/library-services/books-e-books.aspx>.

Useful resources

British Association of Audiology - <http://www.baaudiology.org/>

Royal National Institute for Deaf – www.rnid.org.uk

National Deaf Children's Society – www.ndcs.org.uk

Literature searches

Library staff are able to assist with literature searches by either providing one on one training on searching or conducting the search on your behalf. Please email khft.library@nhs.net for assistance.
