

## Library Guide

### Ophthalmology

A guide to specialist library resources for ophthalmology at Stenhouse Library.

#### Books

The Library holds approximately 135 ophthalmology books including:

- Educational/text books;
- Exam books; and
- Specialty specific books, e.g. glaucoma, cataracts and ophthalmic surgery.

To find the book you are looking for, check the Library's catalogue (<https://sten.koha-ptfs.co.uk>). All ophthalmology books are classified under the heading **WW** (except paediatric ophthalmology which can be found under the heading **WS/WW**). If the Library does not stock the book you require, please let us know as we may be able to obtain it for you from another library.

The collection is regularly updated, so if you have any suggestions of titles to be added to the collection please email the library.

#### Ophthalmology Journals

The Library provides access to over 3000 print and e-journals, DynaMed and BMJ Case Report. Some of the titles relevant to ophthalmology include:

- BMC Ophthalmology
- British Journal of Ophthalmology
- Clinical Ophthalmology

To view a full list of the journals that are available to library users visit MyJournals (<https://journals.nice.org.uk/>) and log in using your OpenAthens account.

If the Library does not have access to the article or journal you require please let us know as we are able to request copies of articles for you from another library.

#### E-Books

The Library has a variety of e-books that are available for use at any time, and can be accessed via OpenAthens at <https://www.kingstonhospital.nhs.uk/healthcare-professionals/stenhouse-library/library-services/books-e-books.aspx>.
