

## Library Guide

### Paediatrics & Neonatology

A guide to specialist library resources for paediatrics and neonatology at Stenhouse Library.

#### Books

The Library holds approximately 670 paediatrics books including:

- Educational/text books;
- Exam books; and
- Specialty specific books, e.g. endocrinology, pain management, neonatology, radiology, dermatology.

To find the book you are looking for, check the Library's catalogue (<https://sten.koha-ptfs.co.uk>). All paediatrics books are classified under the heading WS. If the Library does not stock the book you require, please let us know as we may be able to obtain it for you from another library.

The collection is regularly updated, so if you have any suggestions of titles to be added to the collection please email the library.

#### Paediatric Journals

The Library provides access to over 3000 print and e-journals, DynaMed and BMJ Case Report. Some of the titles relevant to paediatrics include:

- Neonatal Network
- Pediatric Annals
- Paediatric Nursing
- Archives of Disease in Childhood

To view a full list of the journals that are available to library users visit MyJournals (<https://journals.nice.org.uk/>) and log in using your OpenAthens account.

If the Library does not have access to the article or journal you require please let us know as we are able to request copies of articles for you from another library.

#### E-Books

The Library has a variety of e-books that are available for use at any time, and can be accessed via OpenAthens at <https://www.kingstonhospital.nhs.uk/healthcare-professionals/stenhouse-library/library-services/books-e-books.aspx>. In addition to e-books for other specialisms (e.g. cardiology, emergency care, dermatology), a number of e-books focused on paediatrics are available, including:

- Evidence-based Paediatric and Adolescent Diabetes
- Evidence-based Pediatrics and Child Health
- Evidence-based Pediatric Infectious Diseases
- Evidence-based Pediatric Oncology
