

## Library Guide

### Urology

#### A guide to specialist library resources for Urology at Stenhouse Library.

#### Books

The Library holds approximately 150 urology books including:

- Educational/text books;
- Exam books; and
- Specialty specific books, e.g. urological nursing, urogynaecology, and nephrology.

To find the book you are looking for, check the Library's catalogue (<https://sten.koha-ptfs.co.uk>). All urology books are classified under the heading **WJ** (except for paediatric urology which can be found in the WS/WJ section). If the Library does not stock the book you require, please let us know as we may be able to obtain it for you from another library.

The collection is regularly updated, so if you have any suggestions of titles to be added to the collection please email the library.

#### Urology Journals

The Library provides access to over 3000 print and e-journals, DynaMed and BMJ Case Report. Some of the titles relevant to Urology include:

- BMC Urology
- Nature Reviews - Urology
- Renal and Urology News
- Urology Annals

To view a full list of the journals that are available to library users visit MyJournals (<https://journals.nice.org.uk/>) and log in using your OpenAthens account.

If the Library does not have access to the article or journal you require please let us know as we are able to request copies of articles for you from another library.

#### E-Books

The Library has a variety of e-books that are available for use at any time, and can be accessed via OpenAthens at <https://www.kingstonhospital.nhs.uk/healthcare-professionals/stenhouse-library/library-services/books-e-books.aspx>.
