Caring

Good news

Our Critical Care and Outreach service received excellent feedback from a peer review, saying the unit was impressively well-managed, the staff were happy and areas for improvement had already been identified.

Festival of Culture

Staff embraced our Festival of Culture week, participating in activities such as our World Buffet, Decorations Competition and our Evening of Cultural Music and Dance.

Your feedback

“The staff on Kennet ward provided excellent care to my brother in the last days of his life. They also looked after us giving support and comfort at a difficult time. Thank you.”

Staff Wellbeing

We signed the Time to Change Employer Pledge with Alastair Campbell at our Staff Wellbeing Conference.

How we're doing

53% of our staff had their flu vaccine in October to protect their patients and colleagues.
