

Neurology

A guide to specialist library resources for neurology at Stenhouse Library.

Books

The Library holds approximately 40 neurology books including:

- Educational/text books;
- Exam books; and
- Specialty specific books, e.g. stroke, multiple sclerosis and epilepsy

To find the book you are looking for, check the Library's catalogue (<https://sten.koha-ptfs.co.uk>). Most neurology books are shelved in the **WL** section. If the Library does not stock the book you require, please let us know as we may be able to obtain it for you from another library.

The collection is regularly updated, so if you have any suggestions of titles to be added to the collection please email the library.

Neurology Journals

The Library provides access to over 3000 print and e-journals, DynaMed Plus and BMJ Case Reports. Some of the titles relevant to neurology include:

- Annals of Neurology
- Case Reports in Neurology
- Journal of Child Neurology
- The Lancet: Neurology

To view a full list of the journals that are available to library users visit MyJournals (<https://journals.nice.org.uk/>) and log in using your OpenAthens account.

If the Library does not have access to the article or journal you require please let us know as we are able to request copies of articles for you from another library.

E-Books

The Library has a variety of e-books that are available for use at any time, and can be accessed via OpenAthens at <https://www.kingstonhospital.nhs.uk/healthcare-professionals/stenhouse-library/library-services/books-e-books.aspx>.
