

# End PJ Paralysis

We embraced the national #EndPJparalysis campaign, to encourage our patients to get dressed out of their pyjamas and into their own clothes.

## Monthly staff award winner

Anni-Mae Harding,  
Staff Bank  
Booking Coordinator  
*Responsible*

## Good news

The Wolverton Centre for Sexual Health went completely paperless. The new electronic system allows the centre to record consultations, receive test results electronically and generate prescriptions.

## How we're doing

We achieved excellent performance against the national cancer targets for March, including 100% compliance for all 31-day treatment targets.

## Your feedback

*Final operation last week and I can't say how grateful I am for all the amazing treatment I have received. Thanks also to the lovely surgical team and staff on Isabella ward who kept me calm and smiling.*
