

Top Hospital

We were named one of the 40 'Top Hospitals' for the 18th consecutive year at the CHKS Top Hospital Awards. The award is made on the basis of 20 indicators including safety, efficiency, quality of care and patient experience.

Caring

Good news

We kicked off our 2018 Virgin Pulse Global Challenge, with the aim to improve activity levels and wellbeing among our workforce. 500 members of staff are signed up!

How we're doing

According to the National Neonatal Audit Programme, our NNU achieved 100% compliance for holding consultations with parents within 24 hours of their baby's admission.

Your feedback

The DSU is a credit to you. I was treated with nothing but kindness, consideration and professionalism. I was kept fully informed of the procedures and my questions were answered honestly and in detail. A truly professional team effort.
