

Celebrating NHS70

Kingston Hospital marked 70 years of the NHS and celebrated the history of our Trust with an exhibition, a hospital open event, numerous tea parties, and lots of cake!

Good news

We successfully switched all paper referrals to electronic referrals for consultant led outpatient appointments ahead of the national paper switch off deadline in October.

How we're doing

Our staff turnover rate was at its lowest rate for four years at 14.37%. This is great for care, as happy staff = happy patients!

Your feedback

I can't express enough gratitude to the team on Derwent ward. The level of care and kindness shown to my grandmother made such a difference in a very short space of time. Walking into this ward was like a breath of fresh air.
