

Good news

We marked the national Restart a Heart campaign with colleagues from the Emergency Department, teaching vital life-saving CPR skills to over a thousand young people in our local schools.

Award winners

The Trust won a national Skills for Health 'Our Health Heroes' award for Staff Retention and Wellbeing, recognising our work around training, development and career progression and staff health and wellbeing.

Monthly staff award winner

Dr Markus Gess
Gastroenterology
Consultant
Caring

How we're doing

The Hospital's Urgent Treatment Centre continued to perform well at above 99%.

Your feedback

Having just completed phototherapy treatment for psoriasis, which has worked, I wanted to thank your team in phototherapy, especially Stephanie for the professional attitude and outstanding care I received.
