Good news

After a full refurbishment, we reopened Blyth ward, our second dementia friendly elderly care ward. Thanks to funds raised by Kingston Hospital Charity.

How we're doing

The Wolverton Centre for Sexual Health achieved 100% in the Emergency Contraception Benchmarking Audit and was ranked first nationally for following best practice standards.

Your feedback

Thank you to the teams in A&E and AEC at Kingston Hospital for looking after me over the last two days. I can see why this hospital is rated Outstanding. So helpful and professional - we are lucky to have you.
