

Festive cheer

Both the Chelsea Women's football team and Harlequins rugby team came to visit our children's wards to spread festive cheer and bring Christmas gifts.

Joint Assessment and Discharge Team
Safe

Good news

We won the award for Outstanding Achievement in Healthcare at the Health Business Awards for our work around leadership, cancer, dementia, palliative care and sexual health.

How we're doing

We were one of just 36 Trusts in the country to meet the 75% target for staff flu vaccinations.

Your feedback

I needed to give a review on the people at the Wolverton Centre - from the doctors/consultants, nurses and office staff. What a reliable and caring service. Thank you for a very comfortable and secure experience.
