

Good News

Our Nursing Associates were among the first 900 nationally to complete their training and register with the Nursing & Midwifery Council.

Award winner

Richard Young,
Network Services
Engineer
(IT department) - Safe

Making time to talk

We marked the national Time to Talk Day campaign by delivering goody bags to our staff to help inspire conversations about mental health.

Your feedback

“Everyone on Dolphin and Sunshine wards, from the Patient experience coordinator to the doctors and nurses, was wonderful! Each person took the time to ask how my daughter was and made us feel reassured.” - Riannah

FEBRUARY 2019 WALL OF PRIDE

How we're doing

The Wolverton Centre achieved 100% compliance in their Emergency Contraception Benchmarking audit and were ranked first nationally for two best practice standards.
