# **an update on the hospital's partner charity**

Board of Governors – October 2020

# overview

- last presented to the board in January 2018
- our mission - to work with colleagues from across the trust, as well as key partners and stakeholders, to help deliver outstanding patient-centred care, providing benefits for patients and their families/ carers that are over and above those that can be achieved through NHS funding

## some progress.....

- building a presence across the hospital site
- a new office in an accessible location
- our own website – [www.khc.org.uk](http://www.khc.org.uk)
- opt-in on OPD check-in screens
- piloting contactless giving
- two stewardship events
- growing income –
  - average for 3 years to March 17 = £361k
  - average for 3 years to March 20 = £1.128m (excludes £2m legacy)

# making a difference - some highlights

- providing nearly £1.5m to develop the Maxwell Thorne Haematology Day Unit
- completion of the elderly care ward refurbishment programme - £650k raised to fund the 'added value' elements
- approx. £680k committed in the last 27 months to purchase key medical equipment
- funding committed in December 2019 for a third PhD studentship, in partnership with Kingston University
- £360k raised during the height of the pandemic to support staff health & wellbeing

# challenges

- £1m to be raised to support the fit-out of the Royal Eye Unit extension at ground floor level & creation of a paediatric day care oncology unit at first floor
- need to build awareness of the charity & our impact across our community, growing our supporter base
- encourage more grateful patients to support us & in particular to remember the charity when making/ updating their will

## it's a team effort ....

- developing our networks to unlock more of the goodwill from among the great & the good across our community
- be an advocate for KHC - think about your links to local schools, companies, golf clubs etc & encourage them to support their local hospital
- undertake your own fundraising, consider setting up a regular gift or remember KHC when you make/ update your will
- be a case study to encourage others

# contact details

- e: r.aldous@nhs.net/ M: 07901 103687
